WORK EXPERIENCE

Price Waterhouse Chartered Accountants LLP
Article Assistant (Auditing and Assurance)

Aug-25 –Present

Listed Company Audit	- Examined key financial statement areas of a First Year Client: Cost of Sales, Accounts Payable, Statutory Dues, Payroll, Lease Receivables : covers ₹760+ crore in aggregate balances under Ind AS. - Assisted in validating warranty provisions of ₹25+ crore through policy review, independent recalculation, and substantive testing, strengthening disclosure reliability under Ind AS.
Unlisted Company Audit	- Evaluated the design and implementation of internal controls across 3 unlisted client engagements through planning walkthroughs, identified significant control deficiencies at one engagement, assessed their audit implications, tailored substantive procedures, and communicated actionable recommendations to client management, earning appreciation from the Manager and Team Member. - Audited areas including Revenue, Cost of Sales, Operating Expenses, Notes Payables, Post-Employment Benefits, and PPE, covering an aggregate ₹500+ crore balance under IndAS and AS. - Identified a critical 75% attrition rate while evaluating payroll processes for a 500+ employee agriculture-sector client, promptly escalating findings to the Engagement Manager for risk assessment.
Certification Engagement	Automotive Manufacturer – DVA Certification under PLI Scheme: Leveraged AI-enabled tools to streamline review of supporting documents, reducing manual effort by ~40%; coordinated end-to-end data collection and delivered the certification package within a 2-day turnaround. Certificate for Unjust Enrichment: Performed statutory audit procedures to support a Customs Anti-Dumping Duty (ADD) refund claim of INR 10+ lakh by verifying no unjust enrichment, recalculating duty, reviewing Bills of Entry, testing GL and journal entries, and validating receivable disclosure for issuance of the statutory auditor's certificate.
Group Reporting	Global Fortune 500 Industrial Manufacturing Company: Executed specified audit procedures over Accounts Payable and PPE across 59 of 134 global entities (44% coverage).
